Decision Memorandum on Action and for Application of:

Categorical Exclusion 1.12

San Pedro House Hazardous Fuels Reduction Project

U.S. Department of the Interior
Bureau of Land Management
Tucson Field Office
Cochise County, Arizona

Purpose and Need for the Action

Resource and fire managers for the San Pedro Riparian National Conservation Area (SPRNCA) have identified the need to reduce the fuel loading in and around the San Pedro House historic site. The fuels located at this site need to be reduced to help protect the historic site from damage due to wildfire and allow the road into the historic site to be used as an access/egress corridor during wildfire events.

Plan Conformance

This categorical exclusion conforms to the following resource management plan:

San Pedro River Riparian Management Plan and Environmental Impact Statement 1989. Pg. 25, Fire section, objective number one, planned action number two.

- Environmental Impact Statement Vegetation Treatment on BLM Lands in thirteen western states 1991.
- Arizona Statewide Wild & scenic Rivers final EIS Statement.
- Arizona Statewide Land Use Plan Amendment for Fire, Fuels, and Air Quality Management.

Compliance with the National Environmental Policy Act

The proposed action is categorically excluded from further documentation under the National Environmental Policy Act (NEPA) in accordance with 516 DM 2, appendix 1, 1.12.

The application of this categorical exclusion is appropriate in this situation because there are no extraordinary circumstances potentially having effects which may significantly affect the environment.

The application of this categorical exclusion is appropriate in this situation because there are no extraordinary circumstances potentially having effects which may significantly affect any of the ten exceptions listed in 516 DM 2, appendix 2 (actions that require an environmental assessment).

The Fuels surrounding the San Pedro House are in condition class 3, fire regime I.

Treatment Parameters

The Following treatment parameters may be used:

- Mowing of all perennial/annual grasses and weeds within 75 feet of the San Pedro House
- Mowing of all perennial/annual grasses and weeds within 75 feet of the access road to the San Pedro House
- Thinning of shrubs and brush within 75 feet of the San Pedro House and access road
- Thinning/limbing of trees within 75 feet of San Pedro House and access road (thinning of live trees will be limited to trees within a basal diameter of 8 inches or less, limbing will be up to six feet in height. No thinning or limbing will occur within the bird survey area near the picnic area.)

Persons and Agencies Consulted

Mark Pater, Fire Ecologist Gila District

Mark Fredlake, Wildlife Biologist San Pedro Project Office

Bill Childress, San Pedro Riparian National Conservation Area Manager

Marlo Draper, NEPA Coordinator Gila District

Linda Marianito, Planning & Environmental Coordinator, TFO

Decision and Rationale on Action

I have decided to implement the proposed action for hazardous fuels reduction around the San Pedro House Historic Site. These actions meet the need for action. In addition, I have reviewed the plan conformance statement and have determined that the proposed action is in conformance with the approved land use plan and that no further environmental analysis is required."

Implementation Date

This treatment will be implemented between the dates of October 1st and September 30th. The treatment will be implemented on an annual basis, in years with normal or above normal winter precipitation the treatment may need to be implemented twice.

Tucson Field Office Manager

Date: _____

Administrative Review or Appeal Opportunities

This categorical exclusion will be in effect for five years, after the initial five years this categorical exclusion will be reviewed. The treatment will be reviewed by fire and resource managers. If fire and resource managers conclude that the treatment is still required then this categorical exclusion will be initiated for another period of time. This Categorical exclusion is subject to administrative review or appeal.
